Hello to our TREPO family,

We have made great strides this winter. Our Parks are being cleaned after the storms, flood and just plain winter branches. The freezing weather we experienced this winter put a great deal of ice on delicate tree limbs, and many limbs dropped due to the extra weight. (It was pretty for a while though.) The Ichetucknee is back in its banks and has cleared up quite a bit. Our A-frame is almost complete and will hold our monthly meeting on March 6. Everyone is invited to join us.

Please help to keep our Parks yours by locking gates once you enter or leave YOUR Parks, after all you paid for them to be private, not opened to the public. Also, please pick up after yourself, your mother does not work here, and we need to keep our 9 parks tidy. If you find a port-a-potty that needs attention, please call TREPO at 386-497-3320 and if no answer please leave a message. And, if you should be using our new, remodeled restrooms and find them not operational, please call us right away so we can repair before additional damage can take place.

This coming October we will be electing quite a few new board members and officers. Please consider running for one of these positions. We need new faces, new ideas and new enthusiasm to keep TREPO current in thought, word and deed. Please think about it REAL HARD!

Our summer season is soon to start, and we need Gate Greeters for two-hour shifts. It's a great way to meet your neighbors, get out of the house for a few hours, and smile and laugh a great deal. Please call TREPO or one of our officers.

See you at the river! Joan Nano, Chairman of the Board

P.S.: Please join us in our sincerest condolences to the family of Paul Morris who passed away on March 2nd, 2018. For years Paul was a greeter at Point Park, and our very conscientious security person. We and the parks will miss Paul's unwavering attention.
