A small deer was cornered by three aggressive dogs at the SE corner of Hodor Park, and its leg had been bitten off. This emphasizes why it's important to control dogs; we have a leash law in Columbia County. The dog owners are members of 3 Rivers and had been heard talking about how they were feeding their dogs deer meat. County Commissioners are in charge of Animal Control. Secretary explained animal control process. Treasurer explained how dogs in our park could cause Insurance Co. to drop us.
